July 2010

Ultra Tile used in new two-story kitchen and bathroom showroom

Inspired Design used Ultra Tile adhesives and grouts exclusively within their new two-story showroom.

Ultra Tile adhesives, both cementitious and ready mixed, have been used to fix a variety of tiles within the new Inspired Design showroom. Situated in Oldbury, the showroom has over 60 different kitchen and bathroom pods for viewing.

Ultra Tile ProRapid PB, ProFlex SP and ProGrip HG were used to fix a variety of tiles throughout the many pods, including ceramic and natural stone. Porcelain floor tiles were also fixed in all walkway areas. All applications were finished with Ultra Tile FlexJoint grout; colours used included sandstone, anthracite, cream, white and grey.

For more information on Ultra Tile's range of tile adhesives, grouts and ancillaries, please visit www.ultratileadhesives.co.uk or call 01827 871871.
